Date: November 19th, 2019, Tuesday
Time: 12:00 – 13:30 PM
Place: Dingxi Hall, 3F, Gansu International Conference Center
Attendee:

Chair:	Isao Echizen	National Institute of Informatics (Japan)
Vice Chair:	Xiangui Kang	Sun Yat-Sen University (China)
Secretary:	Minoru Kuribayashi	Okayama University (Japan)

TC Members:

Yuhong Liu	Santa Clara University (USA)
Wong Kok Sheik	Monash University (Malaysia)
Jiantao Zhou	University of Macau (China)

Agenda 1: Self-Introduction

Agenda 2: Special session in APSIPA ASC 2019
- The chair reported the APSIPA ASC 2019 statistics related to MSF.
- The number of submissions for SS was top-2 among eight TCs.
- The number of submissions for regular session was very small.
  Each TC member is encouraged to promote MSF for reaching out to other researchers in our community.

Agenda 3: New TC members
- Explained brief CVs of the candidate of new members.
- Approved four new members.

Charith Abhayaratne	University of Sheffield, (UK)
Mehul S. Raval	Pandit Deendayal Petroleum University (India)
Aruna Seneviratne	UNSW Sydney (Australia)
Yuji Suga	IIJ (Japan)

- Briefly explained about the procedure for inviting new TC members

Agenda 4: Discussion

- Special sessions at MSF-related international conference.
- Hot research topics such as discrimination of deepfake and adversarial examples.
- Recent research directions related to MSF in other symposium/conference.
